

ABORTION ACCESS *in* LOUISIANA

— 2015 —

There are currently **5 abortion facilities** in Louisiana.* The following data summarize how much farther women will have to travel for an abortion if some or all of the Louisiana facilities have to close as a result of Louisiana's admitting privileges law for abortion providers.

AVERAGE DISTANCES WOMEN TRAVEL *from their HOMES to FACILITIES*

MORE WOMEN WILL *need to TRAVEL more than* 150 MILES

Currently, fewer than **1%** of Louisiana women travel over 150 miles for an abortion

VS.

If the 5 Louisiana facilities close, **72%** of Louisiana women will have to travel over 150 miles.
